Sam & Annessa Rogers — Missionaries to Brazil

It always amazes me that the Lord takes care of our needs. Even if it might not be in the exact way or time we imagined. This past Sunday we had two men in their thirties receive Christ as Savior! Praise the Lord for His Goodness!

Miguel who is a refugee from the country of Venezuela, started visiting the church almost two weeks ago. After the service he told me that he was at work reading his Bible and searching for answers for his life. A fellow worker, who used to be a member of our church, started talking to him about the Lord and recommended our church to Miguel. After the service we were able to sit down with the two of them. It was wonderful to see the expressions on their faces as they learned the truth of the Gospel. During the Sunday evening service at the very beginning of the invitation both hurried down the aisle and called upon the name of the Lord!

Sunday, February 2, 2025

After nearly five years of praying and planning, we stand together at the groundbreaking of our new Family Life Center. I want to remind you that we serve the God that is “able to do exceeding abundantly above all that we ask or think...” He is the One that has led us to this tremendous moment, and we are trusting that He will carry us through.

Through our past 53 years, God has shown that he will be faithful to us. We can and will trust in His Word as He leads us forward. We are able to echo the words of the Israelites today as we together cry out, “Let us rise up and build!”
